IN AID OF THE ROBBIE ANDERSON CANCER TRUST AND THE JAKE MCCARTHY FOUNDATION

TOURNAMENT DETAILS...

Firstly, we would like to thank you for entering a team for Robbie's Rugby Festival 2019. It will take place on Saturday 27th July and be at Loughborough Grammar School Playing Fields, Quorn.

Now for the details... Players must be 18 or over (for insurance purposes) and will be required to provide ID on registration. There should be a minimum of 7 players per team and a maximum of 12 players. Please do complete the form below and return once completed.

Playing insurance has been obtained for your team by the organisers from the Rugby Football Union, through playing under the RFU laws of the game. This is implemented by the referees on the day. We do require a £15 donation from each player to help with running costs towards insurance and medical, it also includes a BBQ, and of course a donation to the charities we support. We hope you have a fantastic time at the event.

The first kick off is at 10.00am and registration for team captains is at 9am. A full timetable will be made available to you once we have all teams committed.

There is a range of entertainment throughout the day alongside the tournament so please when you're not playing join in and have some fun.

Please also note that players have been accommodated within the event capacity for "Party on the Pitch" but your attendance will need to be confirmed before the event. Family and friends are more than welcome to attend and can buy tickets online. More information can be found on www.robbiesrugbyfestival.com.

TEAM SPONSORSHIP CHALLENGE

As it's our 10th year of RRF we want to make it the biggest and best year yet for our two incredible charities, and we need your help to do that.

We are so thankful that you support RRF by entering a team but this year we want to go one step further.

We are asking each team to set up a Just Giving page and raise as much money for our charities, as a team. We are aware that many friends and family do not attend RRF yet may still want to support the charities and we want to encourage that as much as possible.

The challenge is so simple, here are some quick instructions...

1. Create a Just Giving Fundraising Page on www.justgiving.com
2. Click 'Start Fundraising' and select the cause you want to support as 'Robbie Anderson Cancer Trust' or 'The Jake McCarthy Foundation'
3. Click 'Taking part in an event' and 'Add your own' filling in the details for Robbie's Rugby Festival.
4. Create your Fundraising Page:
 - Decide your support target
 - Name your campaign – From our experience, titles that are personal & give information about the charity are the most effective when fundraising.
 - Add a description – you are welcome to use RRF's story (below) however we know many of you have personal reasons for entering into the tournament so please do make it YOUR team's story!
 - o Robbie's Rugby Festival is an exciting charity event that raises life changing funds for two cancer charities; The Robbie Anderson Cancer Trust and The Jake McCarthy Foundation. This year celebrating its 10 year anniversary, the event has become a permanent fixture in the calendar for so many. Curated by a group of old school friends back in 2009 as an old boys reunion match, RRF is now the largest 10s rugby tournament in the Midlands attracting 30 teams and on average two thousand spectators.
The vision for Robbie's Rugby Festival is to create an atmospheric, unforgettable, inspiring event that leaves a legacy to be remembered by uniting local communities, businesses, and teams from across the country.
5. Send your Just Giving link to us at rugby@addoevents.com so we can monitor your fundraising efforts and promote your pages.

Teams that raise £500 upwards will be given a round of free drinks on the night.

The most effective platform to raise a significant amount of money is through your social media, organising events and corporate donations. We encourage you to be as creative as possible – and please ask us if you need any content/images/videos/information to help with this!

ANY SUPPORT IS HUGELY APPRECIATED
